## BECOMING A VOLUNTEER AT LLETY'R • BARNWR THE JUDGE'S LODGING

A VICTORIAN REVELATION

# VOLUNTEER OPPORTUNITIES AT THE JUDGE'S LODGING

Our volunteers are what keeps the place going. With each person choosing a particular role which suits them, we are preserving this special building for future generations to enjoy. Whatever time you feel you can spare, whether that be a block of time or a few hours a week regularly, we'd be delighted to hear from you!

## VISITOR WELCOME VOLUNTEERS

If you would like to welcome our visitors, take money for admissions and items from our shop, help with tourist information and keep our entrance tidy, then this could be the role for you! You will need to learn how to use the till and the card machine but the rest is all about being friendly, helpful and informative.

## TEAROOM & LARGER GROUPS

We have a tearoom which we run through the summer months and regularly have larger groups coming to visit us. We need people to serve tea, coffee and cake in the tearoom and direct visitors around the building. If you think this is for you, then please do come and join our team.

## GARDENING TEAM

Our pretty walled garden to the rear of The Judge's Lodging needs regular loving care from gardeners who feel they could give a little time to keeping it pruned, mown and weeded. We would like our wedding or civil partnership guests to be able to use our garden for their photographs so it needs to look its best. If this is for you, please let us know.

## CONSERVATION CLEANING TEAM

If you like to do tasks in a systematic and calm way which will keep us looking our best, take care of our collections on show and make all visits more enjoyable for our visitors but you don't feel a front facing role is your thing, then this could be for you.

## EDUCATION TEAM

We like to give our school groups an experience to remember and so we keep them engrossed with entertaining and educational activities while they are with us. If you would be happy learning some Victorian facts to fulfil this role with primary school children and their teachers, we can get you started.

## TRUSTEES

We need practical people with professional skills to take on the more executive volunteer roles for us. If you have the experience and time to take on finance, fundraising, education, business admin, marketing, sponsorship or curatorial tasks for us at a higher level, please get in touch.
